

Boughton Loam Screened BLS Plus – Natural Topsoil

Product information

BLS Plus is our Premium ‘As Dug Natural Soil’ as with the rest of our ‘Natural’ range, processed by passing over modern screening equipment, we then add 20% Digestate Bio Fertiliser which significantly increases its Soil Health as well as providing other horticulturally beneficial enhancements to make this a truly Premium Soil.

Application

Ideal for all applications of ground level soft landscaping especially high-density planting.

Standard

Boughton Loam Screened BLS Plus certified to BS3882 2015, with superior soil health characteristics.
